**Applicants seeking tuition assistance must apply before April 16<sup>th</sup>. Failure to make this deadline will render you ineligible for aid.**

Accounts must be current to be considered. The staff will depend upon FACTS to determine the financial need of applicants. Your financial information is not received by OLPH. FACTS sends only the recommendation on how to fairly allocate our available funds for tuition assistance. It takes, on average, about 2 weeks for us to receive the FACTS analysis, so please turn in your registration and FACTS application prior to April 16<sup>th</sup>. We will be sending out our tuition letters by May 7, 2010. **We will not have tuition assistance dollars available after April 16th.** If you need additional information, please call the school office at 972-1971. May God bless you!
